Returned a call from Joan McCarthy who had called MLS. She wanted to relay a message from Mrs. Laura Bonaparte about the abduction of Prof. Beatrice Perosio, President of the Argentine Association of Psychology. A letter from the American Psychological Association was received the next day relaying the same information. A copy was sent to Tex, so I did not send Ms. McCarthy's information to him. Called her 8/25 to let her know the Embassy was aware of the case and would make an inquiry.
